

PENNSYLVANIA STATE ATHLETIC DIRECTORS
ASSOCIATION

42nd Annual Conference

March 25-28, 2009

Hershey Lodge & Convention Center – Hershey, PA

The Pennsylvania State Athletic Directors Association (PSADA) is conducting its annual conference for its members and those involved in the area of athletic administration for interscholastic schools. This four-day event will attract nearly 500 members and provide numerous opportunities for professional growth and development.

As part of PSADA's Professional Development Program, the March conference will include time for the sharing of ideas, staging of management seminars, and offering strategies for new and experienced athletic administrators. PSADA will conduct several workshops, Leadership Training Courses, and general sessions to raise the standard of professionalism among our membership.

Listed below is a **brief** overview of this year's PSADA Conference. A more detailed listing of scheduled events can be found in the December issue of the PSADA Newsletter.
